Gentlemen;

Enclosed herewith you will find my check for  
Miller-Ryder. Thanks.

In going over the Barnet list of Civil War tokens  
in the Societys collection, I notice that he does not list 6516  
Beverly, Ohio. Should this be missing from the collection, please  
accept the one enclosed from yours truly,

*Henry Hunt*

Dear Mr. Hunt:

We beg to thank you for your check for the Miller-Ryder book. The Civil War token of Beverly, Ohio we have. It must have been an oversight on Mr. Barnet's part in not listing this town, as it is in the Gutttag-Hetrich book. I am herewith returning it with many thanks.

Very truly yours,
